## DEALS

### Improve the View Inside a Window

▲ Metropolitan Window Fashions has discounts up to \$100 a window on custom shades, blinds, drapes or curtains that replace old window treatments. Discounts are by width: for each foot up to 10 feet, prices are reduced \$10 (a five-foot-wide window, for example, receives a \$50 discount). The store will measure, make recommendations, remove old treatments and install new ones. The Hunter Douglas Duette Honeycomb Shade, above, one of the coverings available, starts at \$143 (undiscounted) for a 24-by-36-inch panel. Through July 31 at Metropolitan Window Fashions in New York and New Jersey; (212) 501-8282 or (908) 755-4700. **MARIANNE ROHRLICH**
