Ms. Cathy Guterman
Metropolitan Window Fashions
469 Amsterdam Avenue
New York, NY 10024

Dear Ms. Guterman:

By the time you read this, children diagnosed with cancer and blood disorders will already be benefiting from the gift of \$150 Metropolitan Window Fashions recently made to The Valerie Fund.

The hallmark of The Valerie Fund is our ability—because of the generosity of organizations like yours—to help provide warm, friendly environments close to the families' homes, plenty of emotional support for the patient and the family throughout treatment, and access to top-notch medical care.

Together, we've been doing this for nearly 35 years. Today there are seven Valerie Fund Children's Centers, a new Valerie Fund childhood cancer survivorship program, and of course, our totally free Camp Happy Times. We offer scholarships to our patients, make sure they have transportation to get to their appointments and help out patient families facing financial crisis due to their child's illness, to name a few.

Please don't hesitate to ask us for more information about how we help children and families. We love to boast. In the mean time, thank you again for making a gift of hope and healing to some of the bravest children we know.

Sincerely,

Barry Kirschner

P.S. This letter acknowledges that no services or goods were provided in exchange for this donation.
