

SHADE and BLIND REPAIR

Most manufacturers carry a "Lifetime Limited Warranty" on their products that assures your shades and blinds will be free from defects in materials and workmanship. The manufacturer warranty does not apply to conditions caused by normal wear and tear upon the product (i.e. cords). These warranties also do not include any conditions or damages resulting from accidents, alterations, misuse, abuse or improper measurement, installation, cleaning or maintenance. Listed below are restring and standard repair prices. This is a "drop off" fee and does not include service calls to pick up shade.

Hunter Douglas Shades and Blinds – Authorized Service Center

As the Hunter Douglas Authorized Service Center for Northern/Central NJ & Manhattan, we repair shades under warranty (**seven years – five years for motorized shades**) for only a nominal handling & administration fee. We waive that fee for original owners, with proof of purchase from our store. (Does not include service calls.) Without proof of purchase or after warrantee expires, standard restring/repair charges will apply.

Diagnostic Fees, Freight, Insurance and Additional Charges

Every effort will be made to repair your shade. However, if it cannot be repaired, please note that a **\$30 diagnostic fee is non-refundable**. The standard charges below apply to most repairs. If additional parts, freight or building insurance requirements require an additional charge, you will be contacted for your approval. Repairs are guaranteed for one year. **Please note that damaged shades or those that are excessively dirty, cannot be repaired.**
