

HUNTER DOUGLAS POWERVIEW BATTERY OPTIONS & PRICE LIST

Powerview Motorized Shades can be powered five ways:

1. Double AA Battery Wand
2. Rechargeable Battery Wand
3. Rechargeable Battery Wand with Solar Charger
4. Internal Rechargeable Batteries – not available on all products
5. Plug into wall outlet
6. Hardwire

This document outlines battery replacements and upgrades. In our experience, both AA wands and rechargeable batteries have a lifetime of 1-2 years. Both are typically mounted behind the shade unless specifically ordered with a satellite battery pack. AA batteries can be replaced easily. Watch out for corroded battery wands. Rechargeables can be recharged with a single charger or you can keep extra wands on hand with our dual charging station.

Consider upgrading from AA to rechargeables. They are more environmentally friendly and give you the option of upgrading further to solar charging panels. These panels will eliminate the need to ever recharge your shades.

You can change batteries or call us for a service call. **REMEMBER** – if one shade needs charging or replacement, you should replace/recharge them all if purchased at the same time.

BATTERY REPLACEMENTS AND UPGRADE FEES

Replacement AA Wands	\$40	(includes 12 AA batteries – new wands recommended)
Upgrade to Rechargeable	\$100	(kit includes wand and mounting plate – specify cable length)
Single Charger	\$70	(with 12’ cable – plugs into wall outlet and reaches most shades)
Dual Charging Station	\$125	(additional rechargeable wands \$85)
Wall Plug	\$80	(18V DC Power supply – can convert from batteries)
Solar Charger	\$150	(works only with rechargeable battery wands)
IRB Charging Kit	\$100	(for Internal Rechargeable Batteries – order with 12’ cable)
Satellite Battery Pack	\$55	(for AA batteries)

To satellite mount rechargeable battery packs, specify cable length when ordering rechargeable battery kit – 15”; 4’, 10’ or 20’ cable

Service Calls \$350 (discounted for shades purchased at MWF)

Service call fee covers up to four shades. \$30 for each additional shade. Tall ladder fees may apply.
